United States District Court Southern District of New York

Re: Canela v. JMF Restaurant Corp. et al.  
22-cv-08587 (RA) (OTW)

Your Honor:

This office represents Plaintiff in the above captioned matter. The parties jointly request to adjourn the upcoming initial case management conference. The basis for the request is that Plaintiff recently added two individual Defendants. Defendants' current counsel, Arthur Forman, has advised me that he has been retained by the added Defendants, has agreed to acknowledge service on their behalf, and has requested 30 days to respond to the Amended Complaint, to which I have consented. We believe it is more practical to commence discovery and attend the initial case conference after process has been joined. This is the parties first request for an extension.

Respectfully,

/s Jacob Aronauer
